## Call for Nominations

The ABMR Executive Committee solicits nominations for new members each year. Please considering a nominating a colleague who you think would make outstanding contributions to the Academy. The next deadline is October 1, 2011. This timeline will allow decisions to be made in time for new members to attend the annual meeting in June 2012.

The criteria for eligibility are as follows. The nominee will:

- a) Have made a significant contribution to his or her field, and influenced the work of other scientists, as evidenced by widely cited peer reviewed publications, grants, and editorial boards, or senior administrative roles that have significantly advanced the field; and,
- b) Hold the rank of associate professor or higher, or hold a comparable rank if not an academic.

If there are doubts as to whether one meets the above criteria, the nominators should dispel these doubts in their letters.

Supporting documentation must include a copy of the nominee's CV and two letters of nomination from current Academy members. **All of the materials should be combined into a single PDF document** and sent to the Membership Committee Chair, Gregory Miller, Ph.D. (gemiller@psych.ubc.ca).
